1.0 GETTING STARTED

Thank you on behalf of Team Deluxe for playing Illuminati Deluxe! We hope you will get tons of entertainment and excitement out of this game with your friends and family.

GETTING STARTED

1.1 Introduction

Welcome to Illuminati Deluxe. A mysterious and fascinating video game inspired by the stand-alone card game made by Steven Jackson Game. Team Deluxe strongly recommend playing the original card game version. The feeling of touching real cards and rolling dice are incredibly exciting. However, you could use this digital version to challenge players across the entire internet. In order to be the best, player has to beat the best. People are ambitious. Willing to do anything to reach their ultimate dream. This game offers freedom to imagination rules under the table. We are living in a chaos. Nothing is fair. Survival relies on a single-minded focus on objective.

1.2 Genesis of game

In September 1981, Steve Jackson and his regular freelance cover artist Dave Martin discussed their shared admiration of the Illuminatus! Trilogy, and the latter suggested a game. Steve Jackson decided against adapting the novel because of the expense of game rights, and the difficulty of adapting a novel with such convoluted plots. He decided "a game about the secret-conspiracy idea behind Illuminatus!" was viable. After researching the Illuminati and conspiracy theories, and "extensive and enthusiastic playtesting" it went on the market in July 1982 in the (at the time) usual SJG Pocket Box format. Over the next few years, three expansions for the Pocket Box Illuminati game were published. The first two were substantially incorporated into the deluxe edition, while the third was a version of what would become Illuminati: Brainwash.

Robert Shea provided a four-paragraph introduction to the rulebook for the Illuminati Expansion Set 1 (1983), in which he wrote, "Maybe the Illuminati are behind this game. They must be—they are, by definition, behind everything." In 2001 Wilson criticized some of these products for exploiting the Illuminatus! name without paying royalties by taking advantage of legal loopholes. Later commentators have attributed both the game and the Illuminatus! Trilogy as using real conspiracies as "targets of ridicule."

1.3 Using the Manual

If this is the very first time you have ever played Illuminati Deluxe or the stand-alone card game, we recommend you read over the generable information about the card types and basic rules provide in this manual. In addition, we recommend you do not sit down and read this book from cover to cover before you start playing. Instead, we strongly suggest you put down this book, start up the game, and play through it at least once.

1.4 Installation

Recommended System Requirements:

OS:	Windows 7 + / OS X 10.11 +
Java:	1.8.0 +
Hard Disk Space:	20 MB of free space

Installation Guide:

1. Unzip the downloaded source code file
2. Launch the game installer within the source code folder
3. Follow through the installation menu step by step

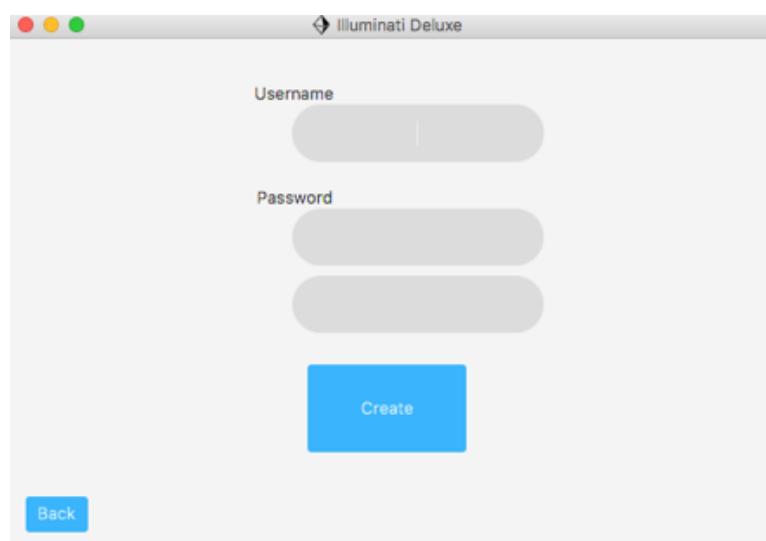

Note: The README.txt file in the source code folder contains up to date information that was not available when the manual went to press. We suggest you view the README to get the latest information and changes.

1.5 Game Setup

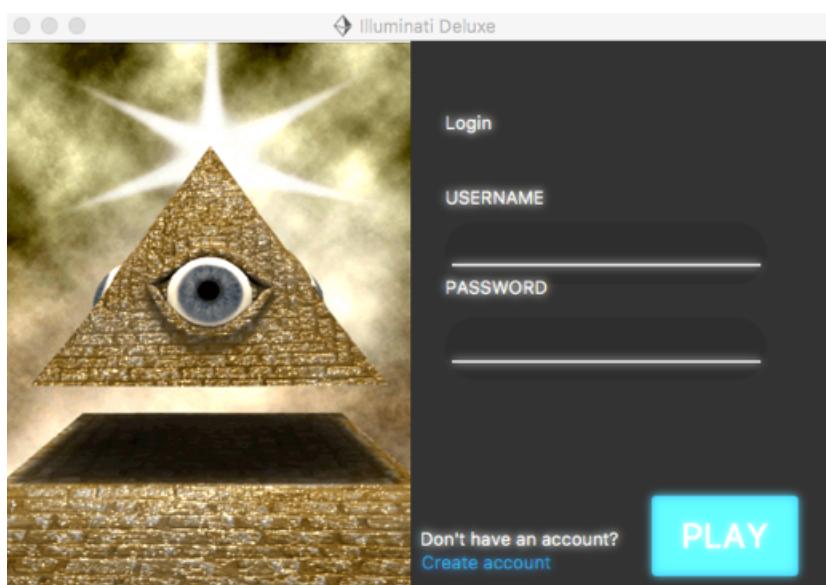

Illuminati Deluxe allows a limited range of player customization. Since this game is card based, no customization to character affects the actual game play.

CREATE ACCOUNT

Player must have an existing Illuminati Deluxe account to have access to the game. By creating an account, user is automatically agreeing to the Terms of Service and Privacy Policy. We strongly recommend user to read both documents by clicking the link before creating an account. Both documents provide information on company's rules and how user's information might be used.

START GAME

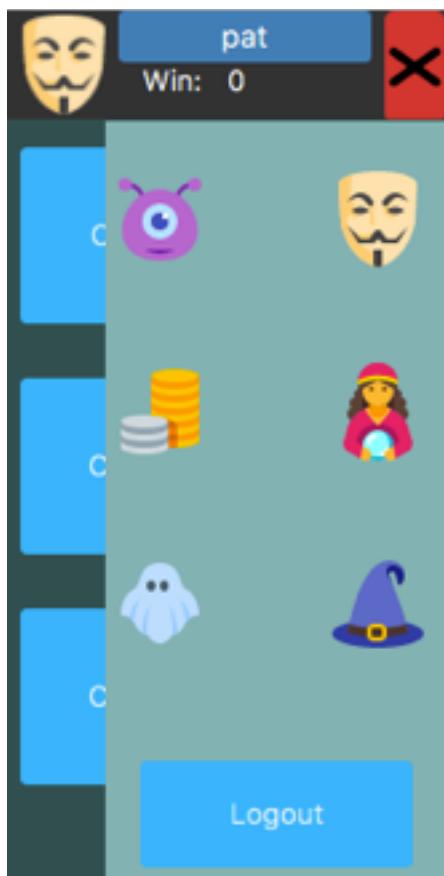

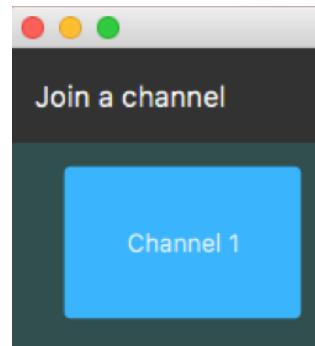

Once user acquired an account.

Simply sign in with username and password.

JOIN A CHANNEL

If you are familiar with any online poker game. The fundamental idea of a channel is like a table. Using the Mouse with a single left click on Channel 1 will automatically bring you inside the channel where you can challenge other players.

CUSTOMIZED PROFILE IMAGE

Player allows to customize their profile image. Simply click on the hamburger menu on the top right corner to expand for more icon options. In addition, user can logout of the current account via the *Logout* button.

2.0 WELCOME TO ILLUMINATI DELUXE

GETTING STARTED

The complexity of this game is solely determined by the multi-faceted game rules, and how much knowledge does the player know about this game. Imagine the world has eight super power which takes controls all breathing souls. And you are one the of super power. Your responsibility if to protect and those who sides with you and survive. More importantly, you need to finish your objective as soon as possible before your opponents. If one of your opponent reached a desired goal before you do, then your fate is doomed...

2.1 ILLUMINATI CARDS

The Illuminati Cards

Here are the 8 known Illuminati groups and their abilities. Or, perhaps, what THEY want you to think their abilities are. Or maybe just what WE want you to think they want you to think their abilities are.

Bavarian Illuminati

Power 10 / 10, Income 9. May make one privileged attack per turn at a cost of 5 MB. Special Goal: Control Groups with a total power of 35 or more (including their own Power of 10).

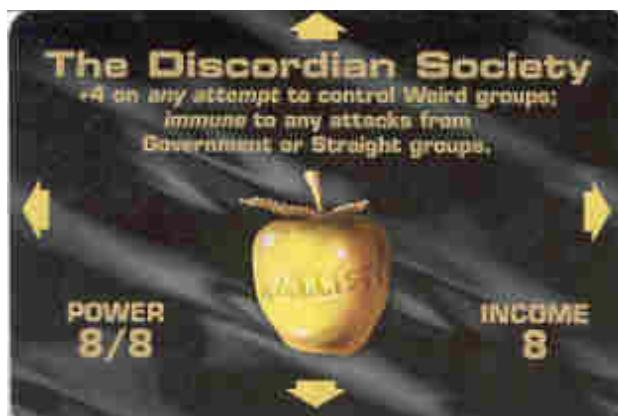

Bermuda Triangle

Power 8 / 8, Income 9. May reorganize groups freely at end of turn. Special Goal: Control at least one Group of each alignment. A Group with more than one alignment counts for each of its alignments.

Discordian Society

Power 8 / 8, Income 8. +4 on any attempt to control Weird groups. Immune to attacks from Government or Straight groups. Special Goal: Control five Weird groups.

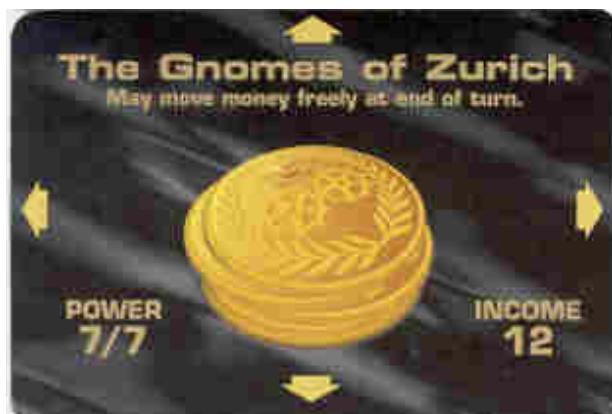

Network

Power 7 / 7, Income 9. Turns over two cards at beginning of turn. Special Goal: Control Groups with a total Transferable Power of 25 (including their own 7).

Gnomes of Zurich

Power 7 / 7, Income 12. May move money freely at end of turn. Special Goal: Collect 150 megabucks (in the whole Power Structures treasuries).

UFOs

Power 6 / 6, Income 8. Illuminati group may participate in two attacks per turn. Special Goal: At the beginning of the game, after players choose their Illuminati, the UFO player picks one of the seven Special Goals listed above. He writes it down, keeping it secret from the other players.

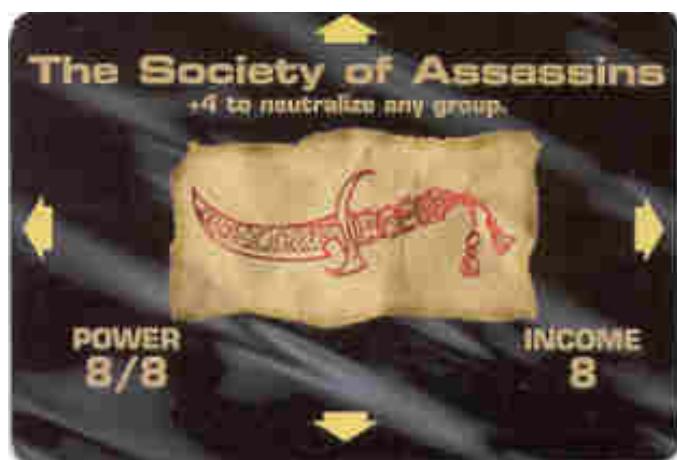

Servants of Cthulhu

Power 9 / 9, Income 7. +2 on any attempt to destroy any group. Special Goal: Destroy eight groups.

Society of Assassins

Power 8 / 8, Income 8. +4 on any attempt to neutralize any group. Special Goal: Control six Violent Groups.

The objective of Illuminati is to take control of the world. Each illuminati card represents a secret conspiracy which able to take control of group cards.

2.2 GROUP CARDS

There are 83 group cards in the game. The world is represented by groups cards.

2.3 SPECIAL CARDS

There are 15 special cards in the game. Special cards represent unexpected phenomena and features.

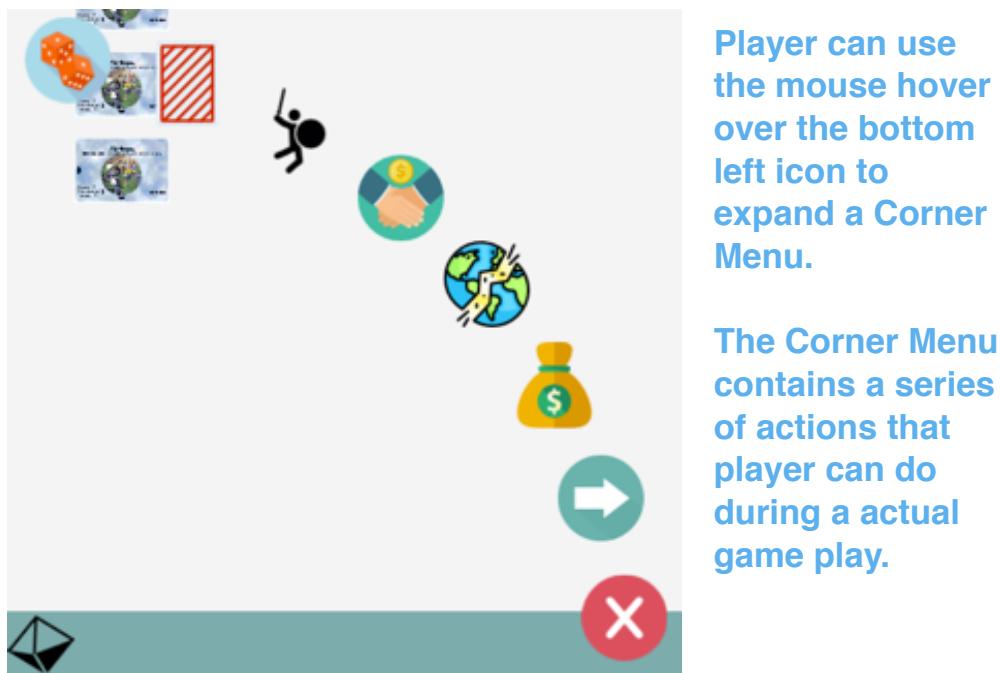

3.0 HOW TO PLAY

3.1 RULES BOOK

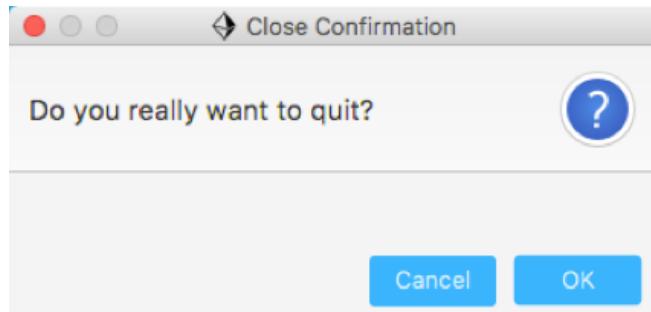

The Rule Book is an informative tool to learn more about the game and how it plays. This manual will not get into details on the rules.

3.2 Mouse Control

3.3 Keyboard Control

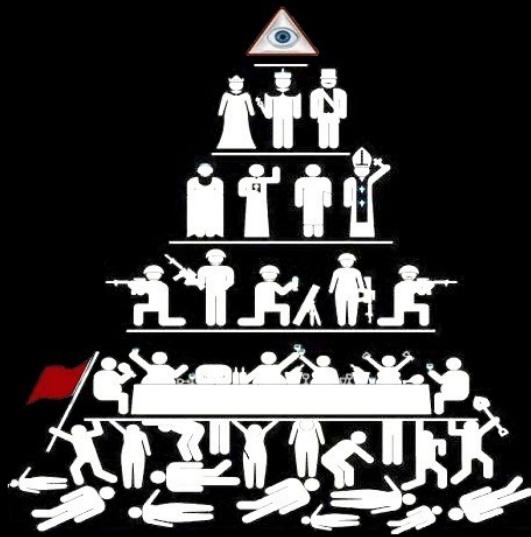

Player can use the keyboard to dismiss the confirmation box.

Pressing the **ENTER** allows user to choose the **OK** option. We suggest you to read the prompt message before making any decision.

4.0

SUPPORT

4.1 TROUBLESHOOTING

The following problem descriptions should help you if the game does not run properly on your system.

Before you start, please make sure your computer meets the required configuration in the System Requirements section. In many cases outdated technology or faulty or not-updated drivers are the cause of program errors.

To play Illuminati Deluxe you need Java version 1.8.0 or above. You can download it from <http://www.oracle.com>. Follow the installation prompts from the java installation process found at Oracle's website.

Should you encounter problems with the sound or graphics after the above tip, please ensure you have the most recent drivers installed. Please check with the hardware manufacturer's website for your graphics and sound card to ensure you have the most up to date drivers.

4.2 Technical Support

It is impossible for any company to test every possible computer configuration. Occasionally there could be a problem with the game on your computer.

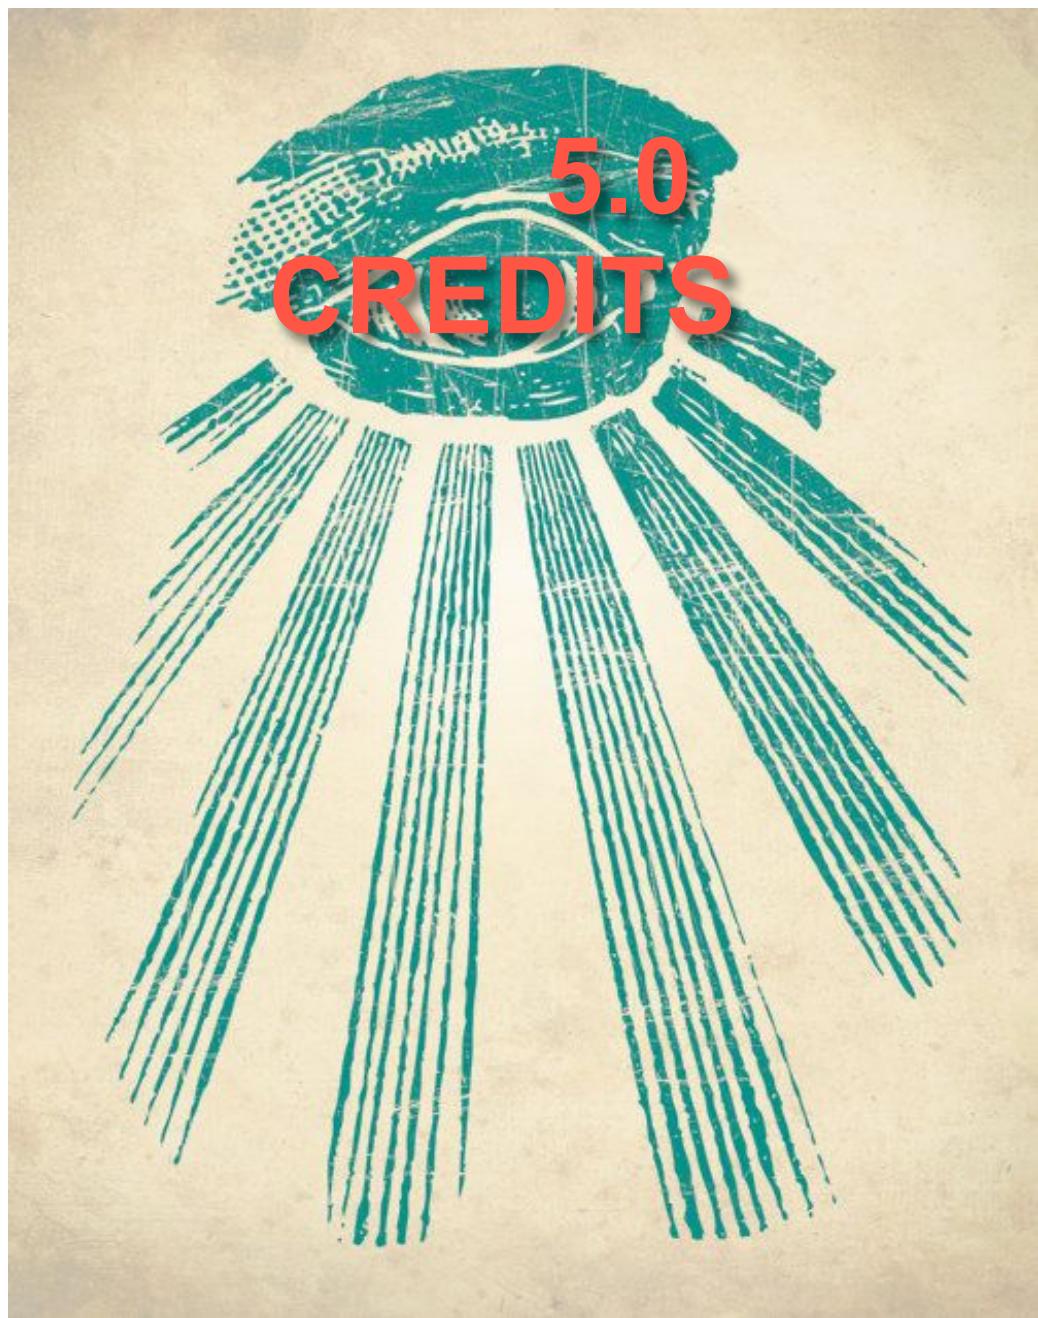

Technical support E-mail: support@teamdeluxe.io

Please try to adhere the report form rules. Thank you!

Fill the subject field with "Illuminati Deluxe Support".

Letter body should contain text information about your:

- Java version
- Operation system
- Download source
- Video card and it's driver version
- Sound card and it's driver version
- Detailed problem description
